CLUBS

The 1991-'92 school year has been one to remember. As it draws to a close I hope you reflect on the many people you have met, the opportunities you've experienced, and the fun you've had.

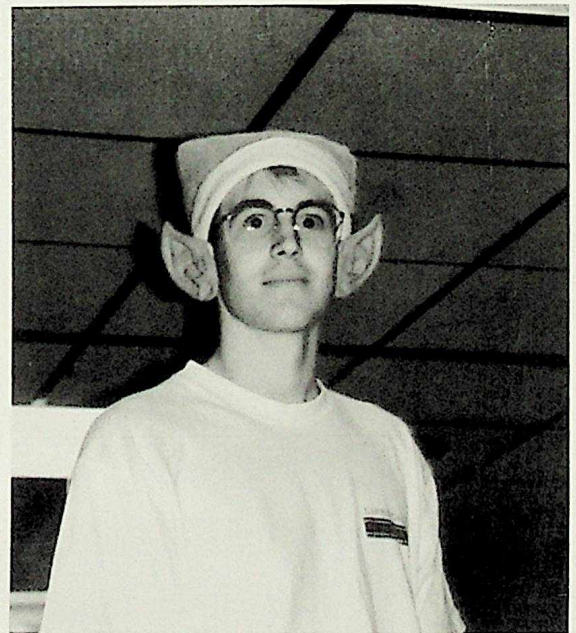

The Students' Union this year was great and very hardworking. We appreciated all the help from the teachers, support staff and principals. We'd also like to thank Mr. Rose, Ms. Ayre and especially Ms. Marika.

The main goal of the S.U. this year was to increase school spirit through Pep Rallies, Dances, and theme weeks. Welcome Week and Western days got the year off to a great start. I hope we helped to create memories that you will have forever.

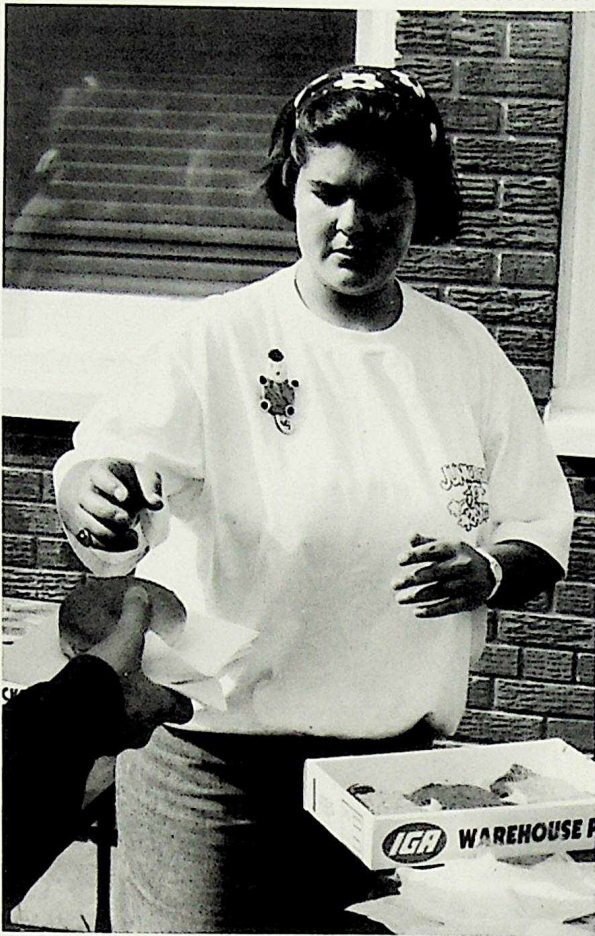

I hope next year is as fun as this year has been. To my fellow graduates I wish you the best in the future. Those remaining at Shep. be sure to carry on the T-Bird spirit.

Thanks to everyone who helped fill this year with great memories.

 - MR. EDWARDS

The Key Club is Ross Shep's service club. The past year we have done a variety of charitable works. From raising money through a raffle for buying children's toys during the holidays to joining forces with the U of A's Circle K service club. We want to show our appreciation to everyone for helping make this year's activities work.

Thank you ...

The New and Improved TOTEM Magazine. A Kaleidoscope of art and literary works from all the corners of Ross Sheppard School's artistic influences. Missing being published last year, it has returned again this year. A true reflection of the inner thoughts of the students of '92 made possible through the help of Mrs. McPherson, Mrs. Armstrong, our panel of teacher editors, the TOTEM Staff, and all those many individuals who contributed their work.

Christopher Banks, Shane Grundy, Mrs. McPherson, Norman Milson, Catherine Shier, Gloria Wong (editor).

T-BOLT

What an age we live in! What a book we're in! Being the yearbook - that precious bible of memories and the key to childhood - someone may actually be reading this. So we're forced to - err, we'd like to take this moment to thank the staff of the Thunderbolt:

Shane Grundy, Bobby Richardson, Cathy Shier ... Editors

Rick Shier ... Photographer

Norman Milson, Amy and Ivy Tia ... Typists

Michael Crerar, Camila Krug,

Vadim Sherman ... Staff Writers

Paul Andrews, Ljubica Mladenov,

Amy and Ivy Tia (again) ... Layout

Nancy Mah ... Advertising

Mrs. Ayre, Mr. Barnes, Mr. Chapman, Mr. Holden,

and Mrs. McPherson ... Staff Sponsors

Perry Hammer ... got in the way.

We were very pleased with the quality of work we got from these people ... THANK YOU! On the plus side, school is almost over, on the downside, it starts again in September (at which time Camila, Ljubica, and Nancy will be the editors).

Until then

DEBATE

Ross Sheppard was proud to host our 27th Debate tournament, as well as the 1992 National Debate Seminar. The annual mock trial competition is the exciting conclusion to the year. Ross Sheppard students competed well this year, and we are looking forward to an even better season next year.

AMNESTY

Ensuring that Human Rights throughout the world are protected with the utmost stringency, the mighty pen as our only weapon, we are Ross Sheppard's Amnesty International Chapter. Through letter writing we oppose the use of torture and the imprisonment of persons detained on the basis of their political or religious beliefs, ethnicity or gender, providing they have not resorted to violence in the expression of their beliefs. Amnesty International opposes the Death Penalty, in all cases regardless if they have committed violent actions or not. This year, in addition to writing over 100 letters pressuring governments guilty of human right abuses, we staged a mock-military insurrection at the Dec. 3 pep rally, sold attractive A.I. T-shirts for two long weeks in February, and currently are producing a short play, "Jo" by Dion Johnstone, for a junior high school tour in May... All to promote awareness for our Fight for Human Rights.

Staff advisor: Mr. R. Barnes. EXCHANGE STUDENTS

Marie and Mireille were good friends, and had no problems making more. We showed them things like malls that stay open more than 1 night as they do in Quebec, and the Rocky Horror Picture Show. They helped us with our French Homework in return for English, and did well in sports on their own. All of the exchange students are missed.

EARTH

Ross Sheppard has a small group of students and teachers that come together on Tuesdays to listen to informative speakers and to plan and discuss environmental actions. Earth (environment awareness and recycling that heals) does this in hopes of making our school and planet a greener place. This year the recycling program expanded to include drink boxes and plastics. As well, cloth towels were introduced into the bathrooms. These efforts combined with others led to a significant reduction in the amount of garbage Shep produces. Thank you to those who contributed to Shep's environmental spirit!

Best Wishes

YEARBOOK

Editor's Message

In the midst of the last deadline, I have to sum up the year's events of the 1991/92 Shep Courier. Many people have saved me by doing math and drawing straight lines for me. Among them are Mrs. Lindenberg, Mr. Jones, and anyone I could suck into typing. I thank you all from the pit of my stomach, and hope that the result of this year's book is reward enough; I haven't any money. (Ha Ha) So, thank you and good-bye Shep, next year you must carry on without me.

ACTIVITIES

The Ross Sheppard Chess Club is an active participant in all High School tournaments for the city and province, as well as holding a private in-club twenty-five round tournament.

This year, several members of the Chess Club participated in three different tournaments: There was a Simultaneous Tournament at Archbishop MacDonald, which Geoffrey, Haran, Igor, Joseph and Thomas participated in. This tournament involved nearly thirty participants playing two chess masters from the Edmonton Chess Club. All participants were invited to become members of the city's club as well.

In early February, Geoffrey, Igor, Haran, Thomas and Kurtis participated in the City of Edmonton Chess Championship with Igor finishing first. Igor was then invited to play in the Provincial Chess Championship in Red Deer, on March 14 of this year.

On February 29, Ross Sheppard played in the High School Team Chess Tournament and finished second overall, in a very close battle with McNally. Congratulations to Haran, Igor, Duong, Kurtis and Geoffrey.

We wish to thank all the staff and students of Ross Sheppard for their support of the school's Chess Club, and hope to see more members in the coming years. As well, we wish to thank the special time and effort put in by Mr. Pansegrau.

Welcome Week

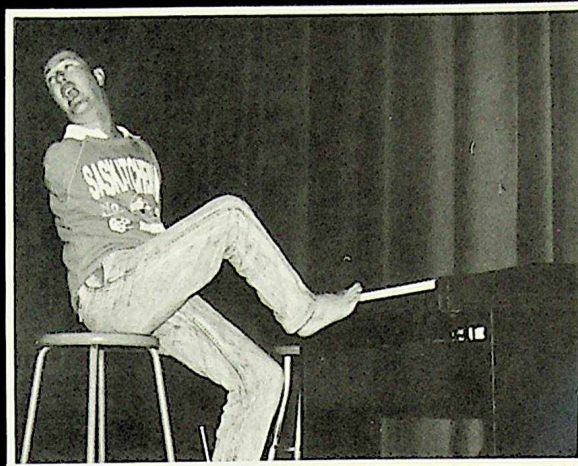

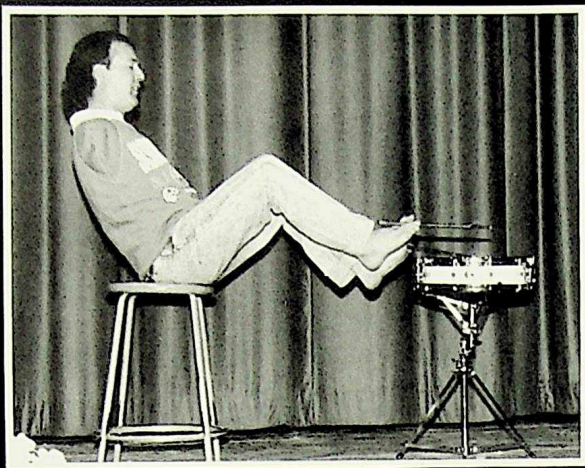

The first big Students' Union sponsored activity of the year was Welcome Week which ran from September 9 - 13. We all had the chance to meet new students, mingle with the returning ones and have a great and memorable time in the process. 50 enthusiastic students participated in Monday's Musical Chairs. Cathy Hys and Ryan Penner were the fastest on their feet and were pronounced the winners. 25 people competed in the "spinnny" Heat on Bat event on Tuesday, and all teams showed great spirit by voluntarily running around the bat twenty-five times. The Balloon Toss-and-shave was played by many and everyone was declared a winner.

Jeff Sanders and Jennifer Rankel won the Jello Drop, after they beat Jay Herrick and Gerald Pruner in the tie-breaker drop. The Pudding Feed was a messy event, but the participants had to agree that the chocolate pudding tasted good.

All in all, everyone had a great time, and to finish off the week's events with a bang. The Wild and Crazy Welcome Back Dance was held. This was a terrific start for a fantastic school year.

In early September, Shep was visited by Mr. Alvin Law. Being born with no arms, he had some pretty interesting stories for the students and teachers. His point was to prove to everyone that people could always have a positive outlook on life. He displayed such courage and enthusiasm that we could not help but love him.

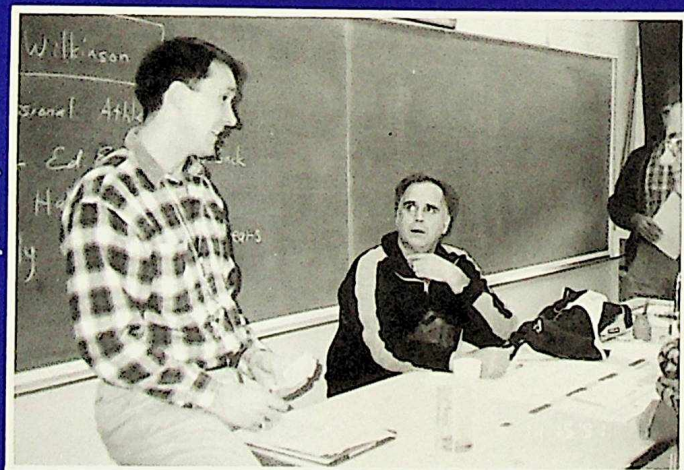

Kristina Pilgrim

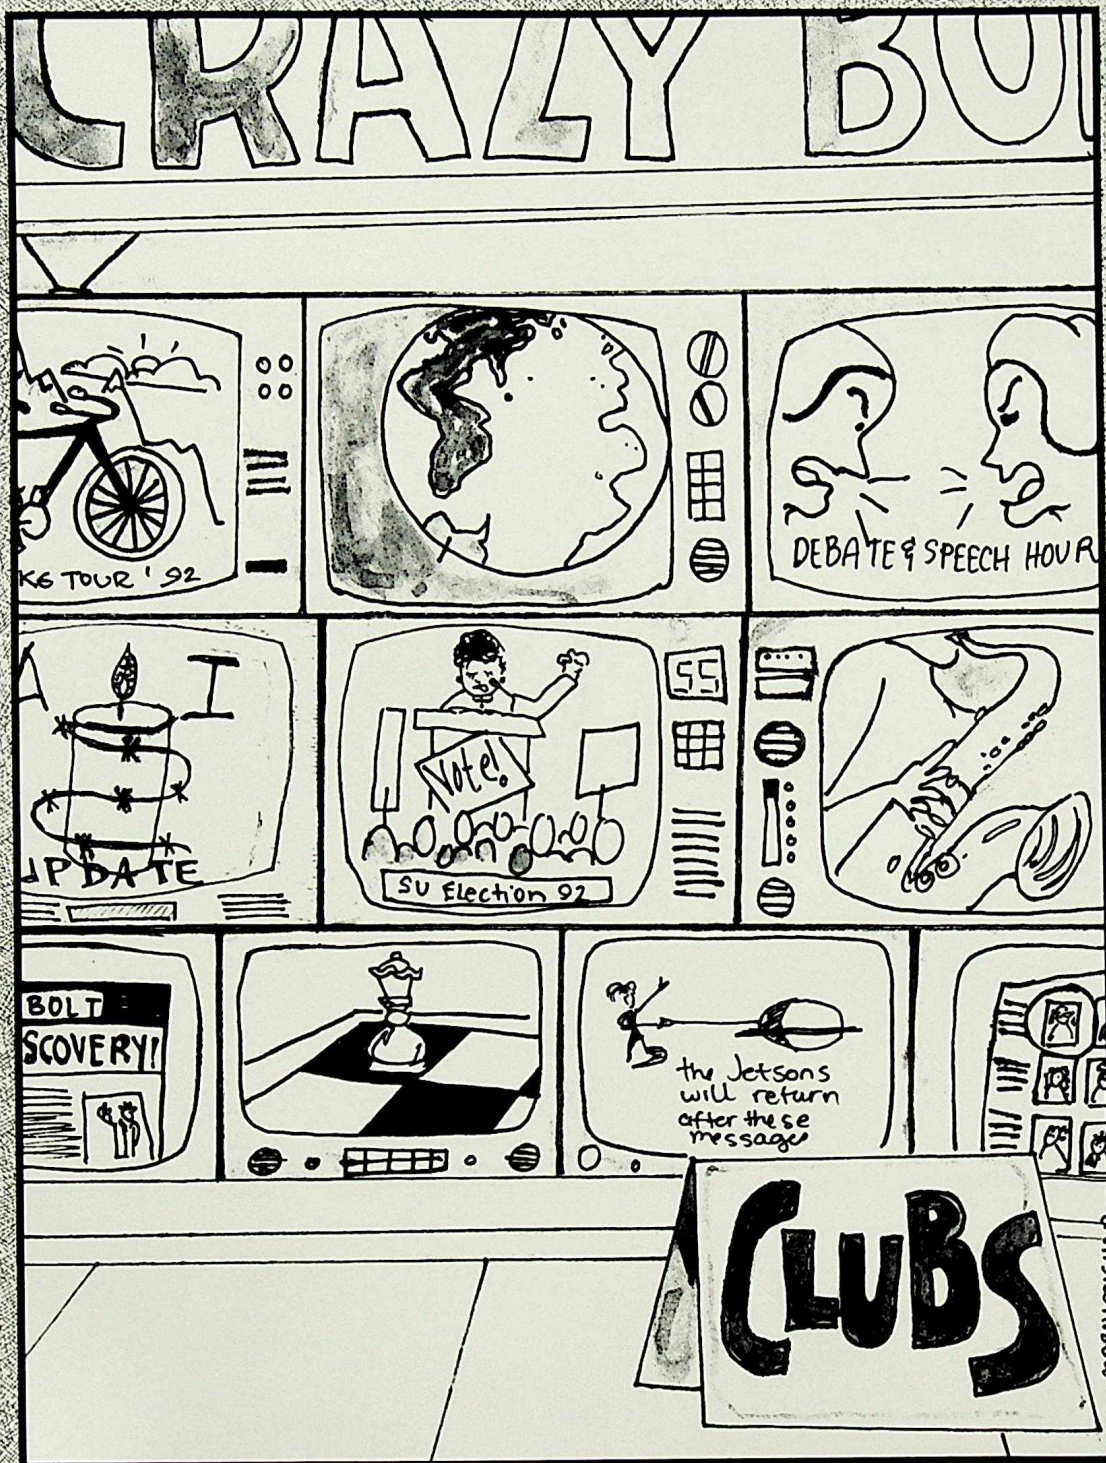

Career Days

On November 14th, Shep was visited by many speakers from the professional sector. They gave interesting tips on how to enter their field and what to expect when we get there.

Thank you to all the speakers!

PRINCIPAL'S YEARBOOK MESSAGE

I wish to commend the students and staff who have once again produced an excellent 1992 Courier. The time and effort required to produce a yearbook can be appreciated only by those who have experienced the task. The creativity displayed by the Courier staff is evident to all who peruse this book.

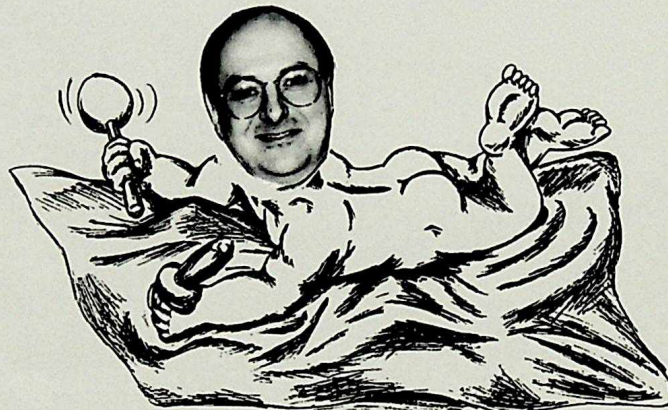

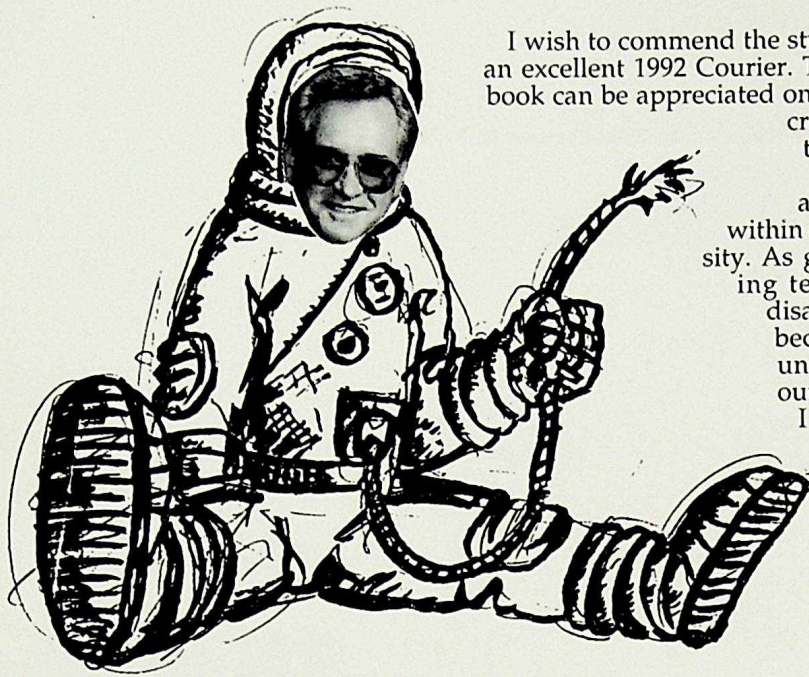

The "Multiculturalism" theme is particularly appropriate. Ross Sheppard is fortunate to have within our population an incredibly rich cultural diversity. As global distance shrinks in response to burgeoning technology, and political boundaries shift or disappear in response to complex human forces, it becomes increasingly important that we come to understand and value our differences, as well as our similarities.

I believe that to a very high degree Ross Sheppard students possess the attitudes and values that result in harmony amongst people. The friendly, respectful relationships between different cultures is evident every day. This year's Courier will help us to further appreciate the resource inherent in our diversity.

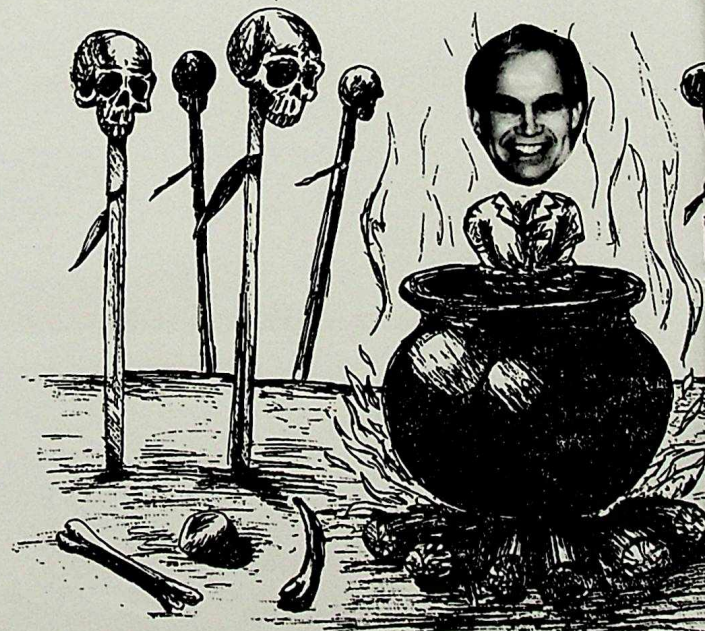

Best wishes!

Western Days,

October 8th-11th was Ross Shep's annual Western Days. The events for this busy week started out with the rodeo races; in which Monty Kohn, Sace Singhan, and Dean Lefebvre won cowboy hats for being the finalists. Wednesday's lunch hour was packed with different activities going on in the large gym. The Rodeo chugalug attracted lots of guzzlers and the two winners; Them Gitsos and Voin Vilimanovich, timed in under 10 seconds. The Blackjack table and the 3 roulette wheels at the casino were a real success and the winning gamblers; Calvin Mah and Micheal Pukanich won jeans courtesy of the Western Boot Factory. Girls and Guys, the wild and crazy and the scared but daring all turned out to ride the bull, and Scott Papineau and Jennifer Rankel were chosen as the best overall male and female riders. Finally on Friday, Shep got to get down a boogie Western style with the help of a live band at the Hoedown. We all had the opportunity to show what we learned in social dance class and do the two step, polka as well as "Cadillac Ranch" otherwise known as The Texas Line Dance. Lastly, to bring Western week to a close, who could resist doing the traditional Fairy Dance, by far the best dance ever!

SCIENCE OLYMPICS

Shep finished their 6th consecutive Science Olympics competition in fine form. We finished 3rd overall at this year's event at West Edmonton Mall. Flying things, biology experiments, and paddling a homemade boat across the wave pool. Good job team!

TROPICAL FEVER

For Tropical Days, the calypso band Tropical Fever was here. There was dancing and limbo throughout the noon hour to liven up the winter.

CHRISTMAS

As always, Shep ushered in the X-mas season with a plethora of activities including a collection of food for the Food Bank, a skating party, Gingerbread Decorating, a visit from Santa, Red and Green Day, locker decorations, and our ever popular Pancake Breakfast, which was accompanied by music to digest by, compliments of the Music Department.

LOCKERS

Locking your locker is not necessarily to keep others out, but sometimes to keep newly evolved pets in. A locker can be a place for self-expression so say what you will, but keep it locked.

AIR GUITAR

This year Shep's air guitar contest was an impressive show. With smoke, Michael Jackson leather pants and a would-be thrasher as near to naked as decency permits, the money for Y•E•S•S rolled in.

A work in progress. Check out the mural being done by Tracy Birnie. Her theme is periods of art history as seen here in her version of "Persistence of Memory" by Salvador Dali and "The Absinthe Drinkers" by Degas.

The pavels are painted or masonite and will be attached to the wall upon completion. The end wall was done by Advenie Everitt.

JUNIOR FOOTBALL

This year in Jr. Football has been a great year. The team was brand new with three returning players. We had little skills in football but never played for a team but they worked hard in practice and it paid off during a game because we had the skills to play. Even though we did not make it to cities, everyone had fun.

SENIOR FOOTBALL

What a riot! For those of you who don't know much about your senior football team here at Shep, here is a chance to glimpse some of the fun and memories that we T-Birds shared during the 1991 season.

During the period between September and early November you many have seen us. We were the guys wearing rags on our heads and shoulder pads that would make Bridgette Nielsen proud. That was us out on the field loudly spelling "T-Birds" during jumping jacks, just to impress the other teams who we weren't sure could spell. Perhaps you heard the loud music coming from the locker rooms, or saw the hallway prayers on game day. Hopefully you came out and supported us this season; sharing in the celebration of our victories and the disappointment of our losses. As well, we hope you were there to share in our lighter moments: Andy Carpenter's "Super Bowl" interception at the M.E. Lazerte tournament, Shelly Williams' miraculous catch down the sidelines at J.P., Patrick Beckerton's trip somewhere over the rainbow, Wade Overacker and Mike Mustafa's WWF matches, our sing-a-long stretches, offense vs Defense snowball fights and Mr. Buchynski's shorts during our first snow practice.

The Ross Sheppard Senior Football Team would like to thank our incredible coaching staff, our great managers, our invaluable trainers and those of you who supported us this season. Thanks for the fun and memories.

JUNIOR GIRLS' VOLLEYBALL

The 1991 Junior girls' volleyball season was a fun and exciting experience for the players and coaches alike. Plenty of hard work and commitment contributed to many victories and a real sense of team spirit. Our team's ability to work well with one another allowed us to get into the premier division where we eventually reached the semifinals. In addition we entered numerous competitions and finished second in the East Glen tournament.

The participation of both the players and coaches provided for an enjoyable and worthwhile season.

Congratulations to Mrs. Jane Dyke, one of the recipients of the 1991 Excellence in Teaching Awards.

Mrs. Dyke was nominated for her ability as an educator and for her involvement in the activities at Ross Sheppard. On top of being a highly effective teacher, she is a driving force behind Shep's environmental awareness and values. Mrs. Dyke is also active as a member of Shep's Peer Support team.

Jane Dyke is a motivator and a caring person, described by some as having strong maternal instincts. Ross Shep is lucky to have such an excellent teacher!

HAPPY 125TH CANADA

One of the most important things about Canada is its total uniqueness compared to the rest of the world. With our many diverse inhabitants, Canadians have the good fortune to receive a smattering of traditions and cultures that are unusual to anywhere else in North America. Nineteen ninety two marks Canada's 125th anniversary. So make sure that on July first you get out to the fireworks and make some noise. Canadians have good reason to!

WHO WAS ROSS SHEPPARD?

Ross Stanley Sheppard was born November 22, 1888 in Belhaven, Ontario. He was a diligent student who excelled in track and field. While attending the University of Toronto he won acclaim as a football player and sprinter. He was a brilliant scholar and graduated with an honors degree. He was also awarded the Royal Astronomical Society Medal in Physics and a fellowship at the University of Toronto. In 1909 he successfully obtained a summer teaching position at Strathcona College, Alberta. He was known as being a strict disciplinarian but students and teachers alike admired him for his ability as a sprinter. Ross Sheppard participated in competitions at sport meets and picnics and sometimes competed against race horses, which he invariably beat. In 1924, in recognition of his athletic prowess, Ross Sheppard's name was entered into the Edmonton and Alberta Sports Hall of Fame. In 1924, at the age of 36, he represented Canada at the Paris Olympics in the hop-step-and-jump event. Although he did not win a medal, his performance was certainly creditable.

In 1928 he became principal at Strathcona Collegiate Institute, where he remained for 18 years. In 1938 he was appointed Assistant Superintendent of Schools and 2 years later he became Superintendent of Schools. Ross Sheppard retired in 1955 and in 1961 a new high school bearing his name was opened. This was a fitting tribute to an educator who had served as a teacher, principal and superintendent for 42 years.

Ross Sheppard passed away in 1961.

GOOD LUCK MRS. MAGEE

Mrs. Magee arrived at Shep 1963, and after 29 years, of hard work she now heads toward a well deserved retirement. There have been many changes at Shep since she first got here, such as the attire of the students, and the habit of eating in the hallways.

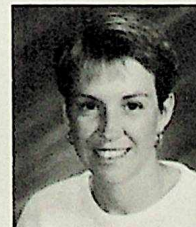

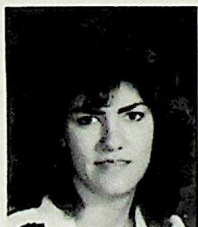

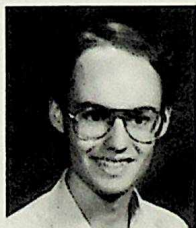

Some of the most memorable moments in the history of Shep were the staff's shenanagins in the centennial. In the same year, the staff also put on a play for the students called "The Lighthouse Keepers' daughter". There have also been many memorable people that Mrs. Magee has encountered, among them were the 'Iron Duke' who was our first principal, Mr. Arnold Henderson, Elsie Park Gowan; a real character, and Mrs. Betty Seymour, a dahhh-ling of an assistant principal.

For her parting words of wisdom, Mrs. Magee leaves us with the Shep Motto - "Okimawitaw Otatuskewin".

Good luck and Happy Retirement Mrs. MaGee.
